“A Focus on Healing”

Meeting on Thursday Evenings from 7:30 - 9:00  
March 17 through April 14

*“The word ‘healing’ is everywhere. But there is a lot of confusion between ‘healing’ and ‘curing.’”*

The Reverend Donna Schaper

We make it a regular practice to pray for healing for ourselves, for those we care about, and for this troubled world in which we live. Sometimes, those prayers seem to be answered and sometimes it appears that they are ignored by God. What is healing? What is health? What does it mean to be well? What does prayer have to do with it? What does God have to do with it? What do we have to do with it? What do we learn from Holy Scripture? Each session will involve study, discussion, prayer, and light refreshments. Reservations will be helpful; so please call the church office 586-6870.
